Submitted by:

Avijit  
Aryan  
Rahul  
Suman  
Chaitanya  
Himanshu

## ACKNOWLEDGMENT

We would like to express our heartfelt gratitude to all those who supported us throughout the completion of this project.

First and foremost, we extend our sincere thanks to our mentor for their invaluable guidance, constructive feedback, and constant motivation.

We are also thankful to our peers and teammates, whose collaboration and constant motivation kept us motivated throughout the project.

A special note of appreciation goes to our families for their unwavering support, understanding, and patience throughout the project.

## ABSTRACT

The Professional Loan Management System (PLMS) is a web-based capstone project built using Spring Boot and ReactJS.

## CONCLUSION

The Professional Loan Management System presents a modern and scalable solution for managing loan applications and disbursements.
